

CEDAS Installation Procedures (Software Key Version)

CEDAS Installation Procedures

(Software Key Version)

- These instructions cover installation on various Windows operating systems.
- The steps shown were performed using Windows 8.
- For Windows operating systems other than Windows 8, the screens may look slightly different, but the basic steps are the same.

CEDAS Installation Procedures

(Software Key Version)

Step 1

Install all files provided with your Installation Package (CD, Cloud Based Download, etc.) to your computer.

CEDAS Installation Procedures

(Software Key Version)

Step 2

- Have the CEDAS Product Serial Number supplied with your installation package ready.
- Install CEDAS software as follows.....

CEDAS Installation Procedures

(Software Key Version)

Step 3

Start the setup application file that came with your installation package. →

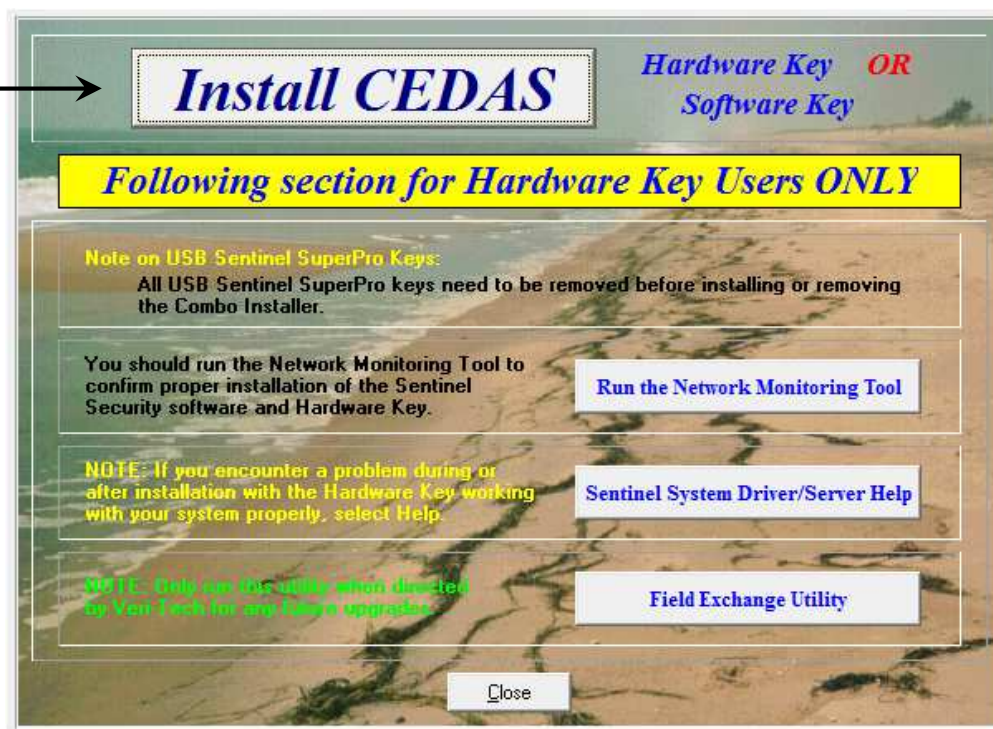

<input type="checkbox"/> Name	Date	Type	Size	Tags

CEDAS Installation Procedures (Software Key Version)

Step 4

Click the “Install CEDAS” button to launch the CEDAS Installation Wizard.

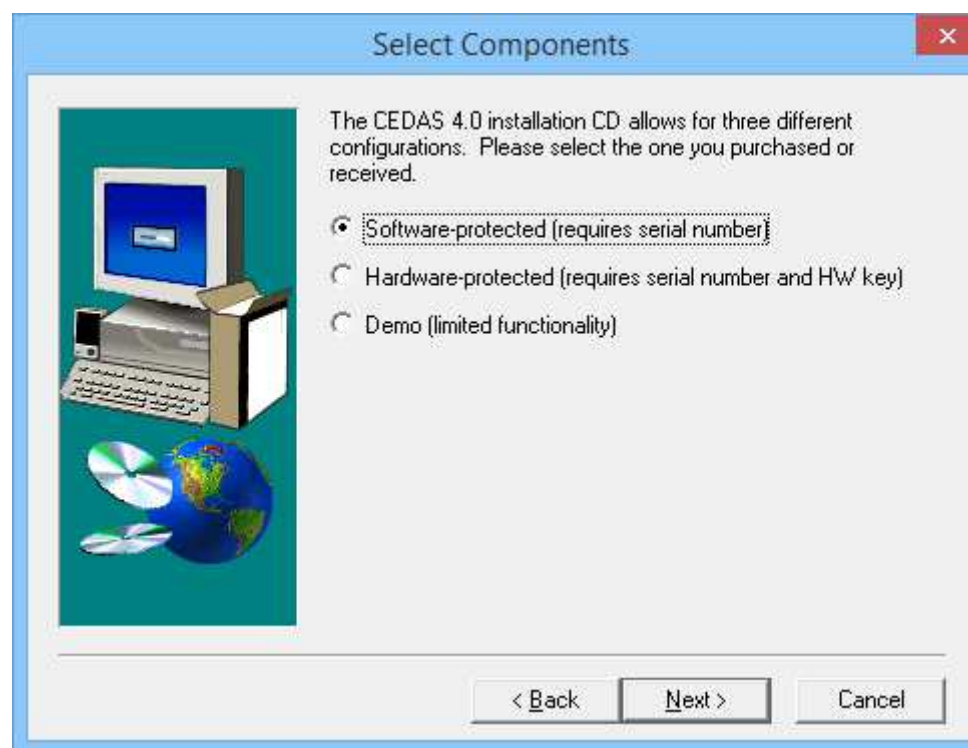

CEDAS Installation Procedures (Software Key Version)

Step 5

Select the “Software-protected”
radio button.

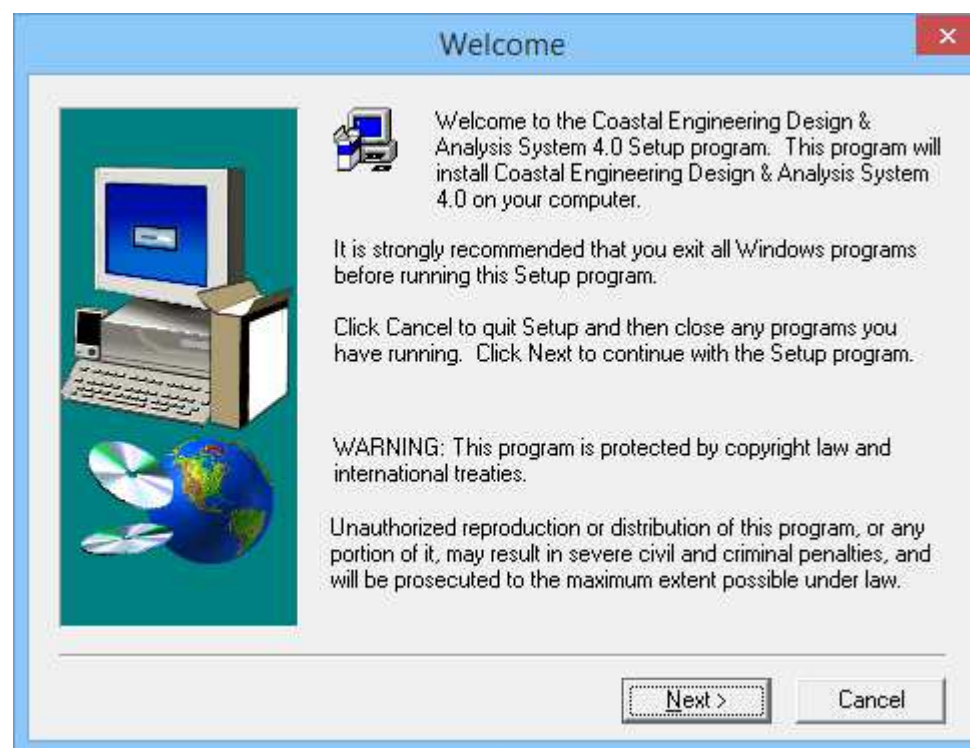

CEDAS Installation Procedures

(Software Key Version)

Step 6

Review info and click “Next” when ready.

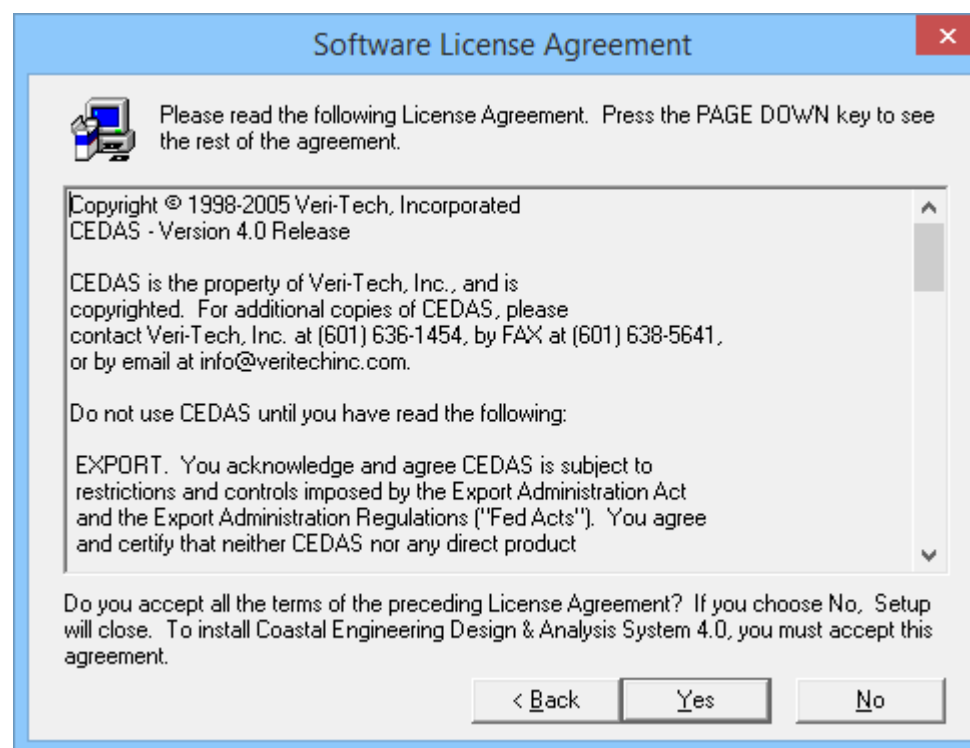

CEDAS Installation Procedures

(Software Key Version)

Step 7

Review info and click “Yes” when ready.

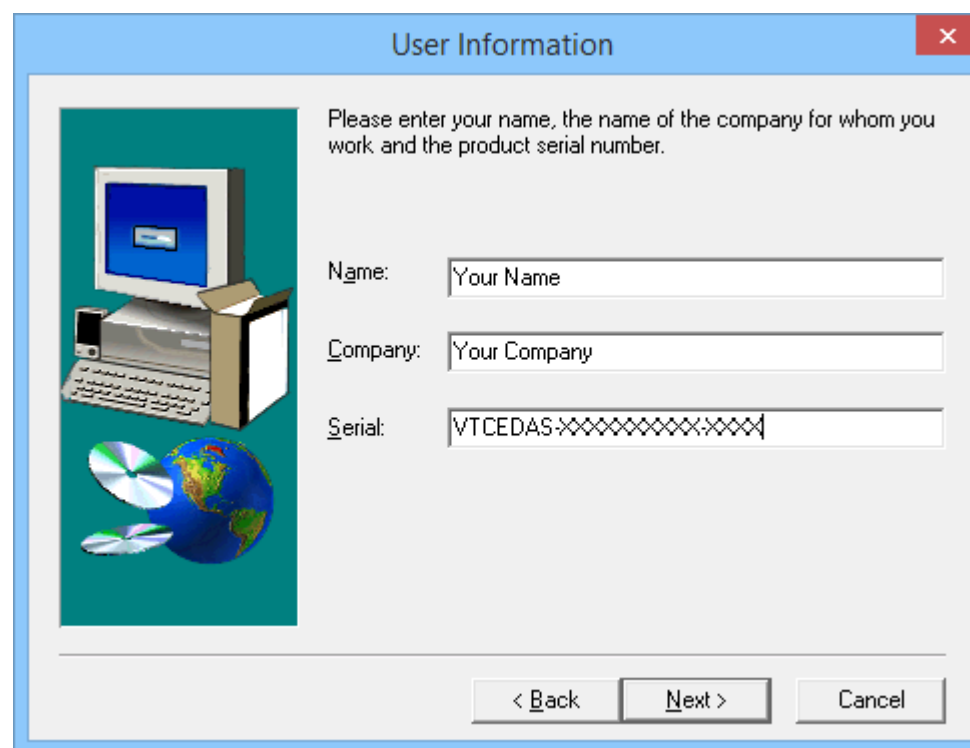

CEDAS Installation Procedures (Software Key Version)

Step 8

Enter your Name and Company info, and the CEDAS Product Serial Number.

Click “Next” when ready.

The dialog box is titled "User Information" and contains the following elements:

- A red close button (X) in the top right corner.
- An instruction: "Please enter your name, the name of the company for whom you work and the product serial number."
- A graphic on the left showing a computer monitor, keyboard, mouse, and a globe with two CD-ROMs.
- Three input fields:
 - Name:
 - Company:
 - Serial:
- Navigation buttons at the bottom: "< Back", "Next >", and "Cancel".

CEDAS Installation Procedures

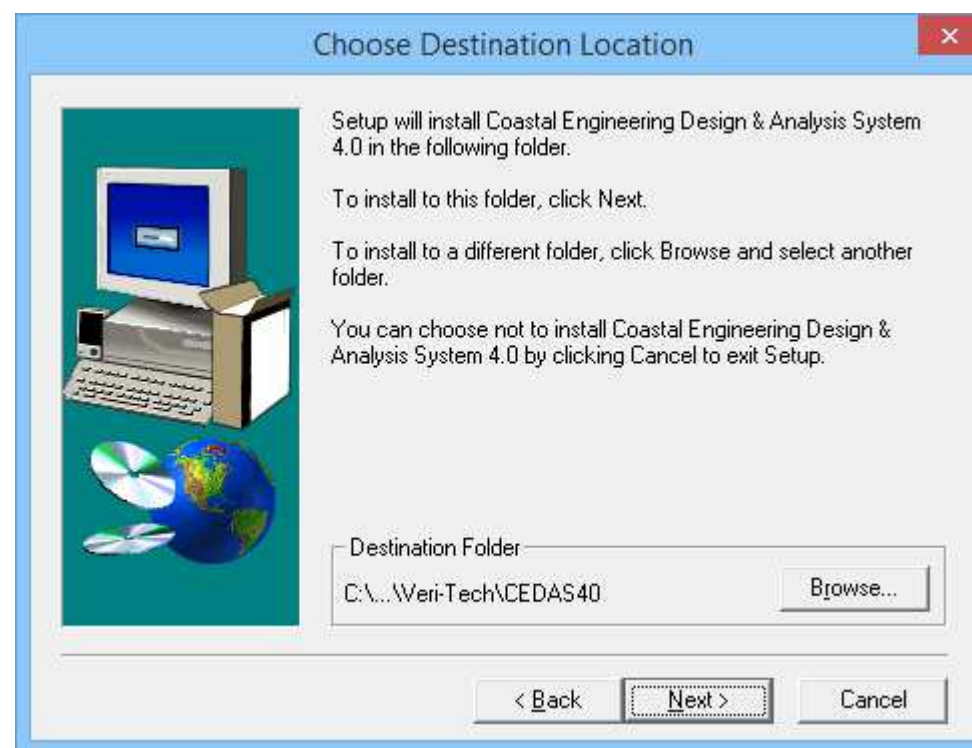

(Software Key Version)

Step 9

The Installation Wizard creates a Default Destination Folder.

Even though an alternate Destination Folder can be created, it is recommended that the default location be used.

Click “Next” when ready.

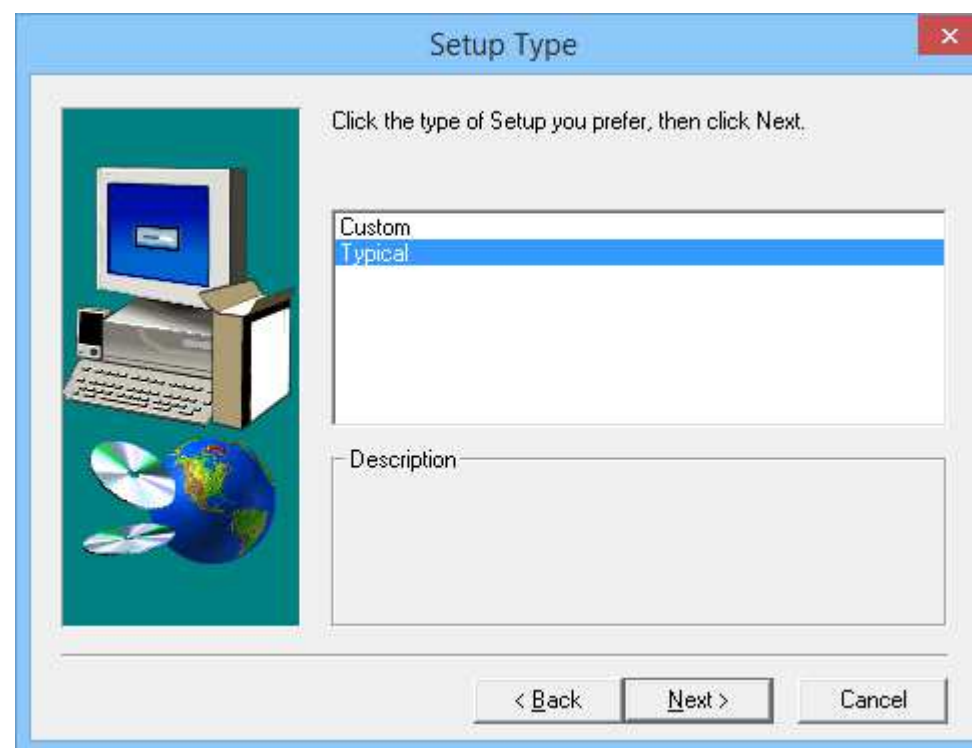

CEDAS Installation Procedures (Software Key Version)

Step 10

It is recommended that the “Typical” setup type be used for the installation.

“Custom” Setup should only be used by advanced users.

Click “Next” when ready.

CEDAS Installation Procedures

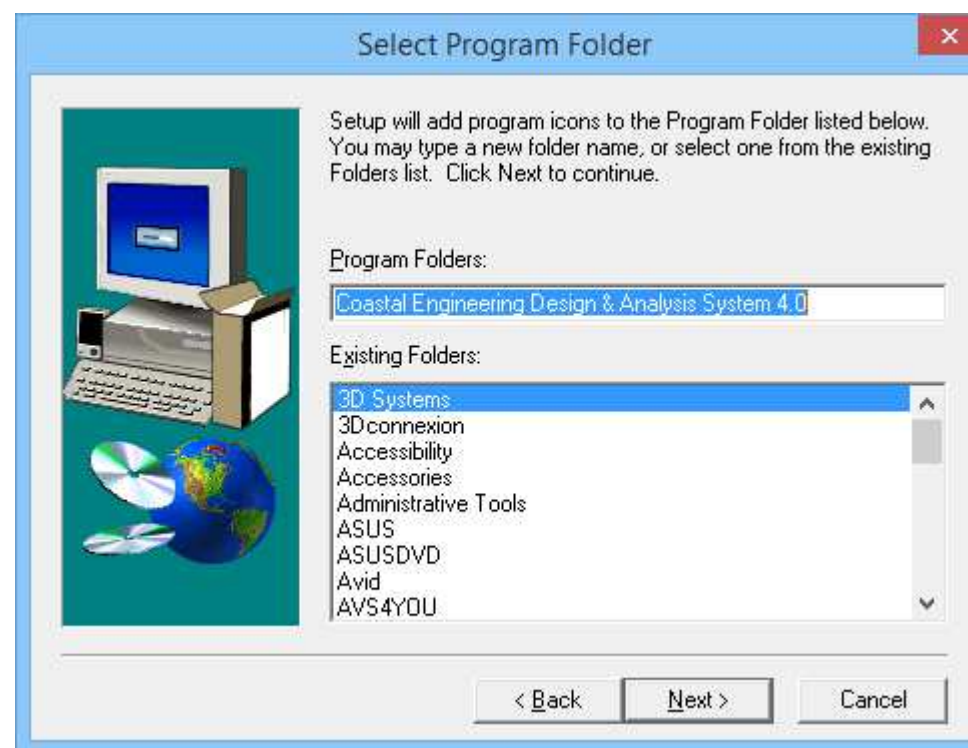

(Software Key Version)

Step 11

The Installation Wizard creates a Default Program Folder.

Even though an alternate Program Folder can be created, it is recommended that the default location be used.

Click “Next” when ready.

CEDAS Installation Procedures (Software Key Version)

Step 12

The newly created CEDAS Program Folder is opened.

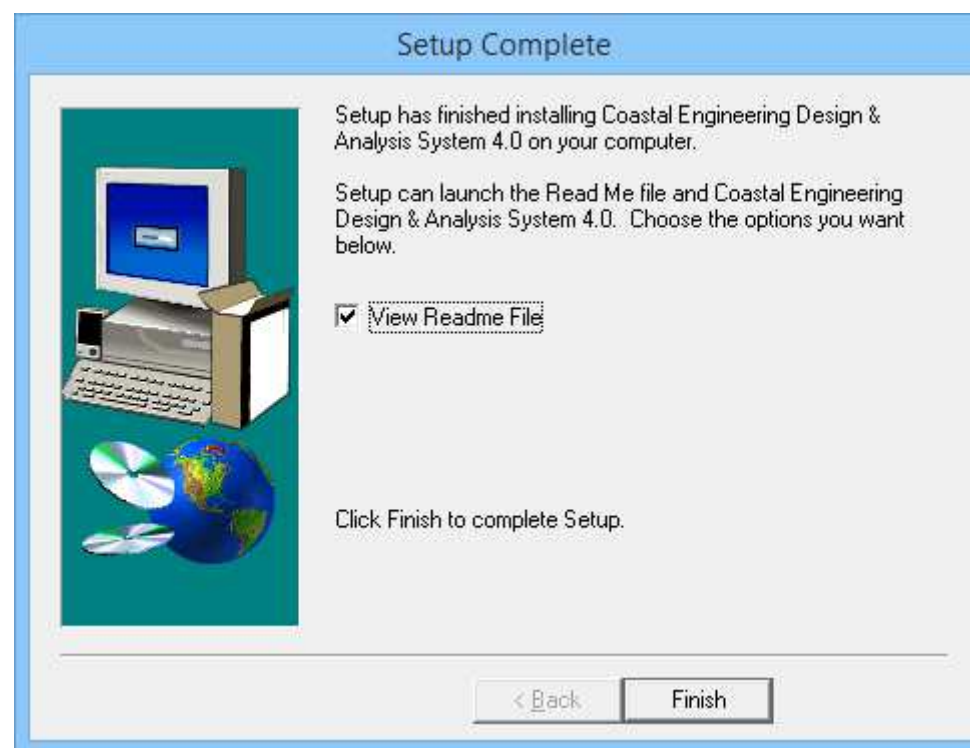

<input type="checkbox"/> Name	Date modified	Type	Size

CEDAS Installation Procedures (Software Key Version)

Step 15

Email **Serial Number**
and **Unique ID** to
Veritech to have
Unlock Key
generated for your
installation.

Product Registration

Serial number:	VTCEDAS-0030872047-C430	Unlock
Unique ID:	17081	Cancel
Unlock key:	<input type="text"/>	

CEDAS Installation Procedures (Software Key Version)

Step 16

Enter **Unlock Key** when received back from Veritech. Click “Unlock” when ready.

Product Registration

Serial number: VTCEDAS-0030872047-C430 Unlock

Unique ID: 17081 Cancel

Unlock key: [XXXXXXXXXX]

Note: Unlock Key is only required to be entered once for initial CEDAS installation. However, if CEDAS is completely Uninstalled and Reinstalled, then the CEDAS setup.exe program will generate a new Unique ID, and a new Unlock Key must be requested from Veritech.

CEDAS Installation Procedures (Software Key Version)

Step 17

CEDAS installation is now complete.
