

CEDAS Demo Installation Procedures

CEDAS Demo Installation Procedures

- These instructions cover installation on various Windows operating systems.
- The steps shown were performed using Windows 8.
- For Windows operating systems other than Windows 8, the screens may look slightly different, but the basic steps are the same.

CEDAS Demo Installation Procedures

Step 1

- **Navigate to the following link.**

(This link also provided in your CEDAS Demo request confirmation email)

http://www.veritechinc.com/wp-content/uploads/2016/03/CEDAS_Demo_Install.exe

- The link will automatically download the file “CEDAS_Demo_Install.exe” to your Downloads folder.

CEDAS Demo Installation Procedures

Step 2

- Open your Downloads folder, and launch the “CEDAS_Demo_Install.exe” file.

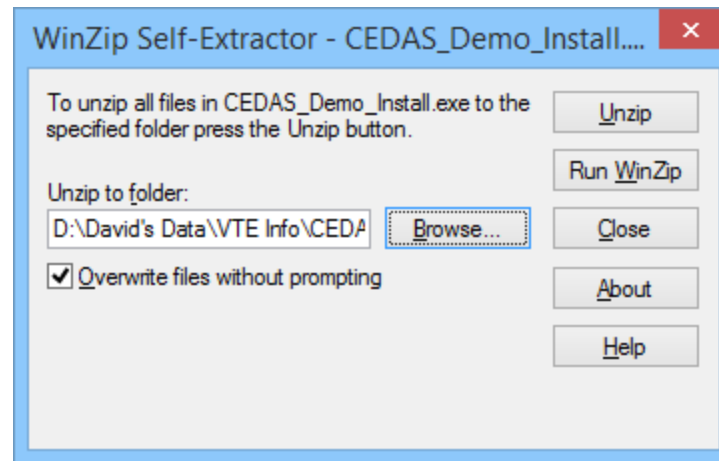

CEDAS Demo Installation Procedures

Step 3

Select a location on your computer to extract the zipped files to.

Click “Unzip” when ready.
Click “Close” when the unzip process is complete.

CEDAS Demo Installation Procedures

Step 4

Start the setup application file that came with your installation package.

CEDAS Demo Installation Procedures

Step 5

Review info and click “Next” when ready.

CEDAS Demo Installation Procedures

Step 6

Review info and click “Yes” when ready.

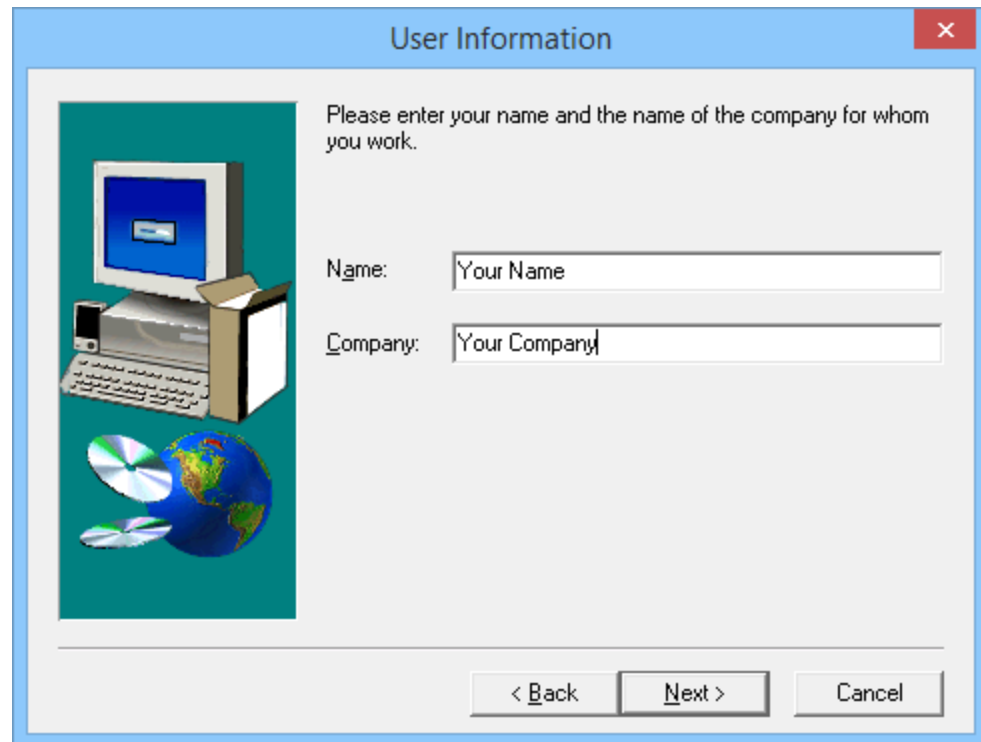

CEDAS Demo Installation Procedures

Step 7

Enter your Name and Company info.

Click “Next” when ready.

A screenshot of a Windows-style dialog box titled "User Information". The dialog has a light blue title bar with a red close button in the top right corner. The main area is light gray and contains a small graphic on the left showing a computer monitor, keyboard, and mouse, with a globe and two CD-ROMs below it. To the right of the graphic, the text reads "Please enter your name and the name of the company for whom you work." Below this text are two text input fields. The first is labeled "Name:" and contains the text "Your Name". The second is labeled "Company:" and contains the text "Your Company". At the bottom of the dialog, there are three buttons: "< Back", "Next >", and "Cancel".

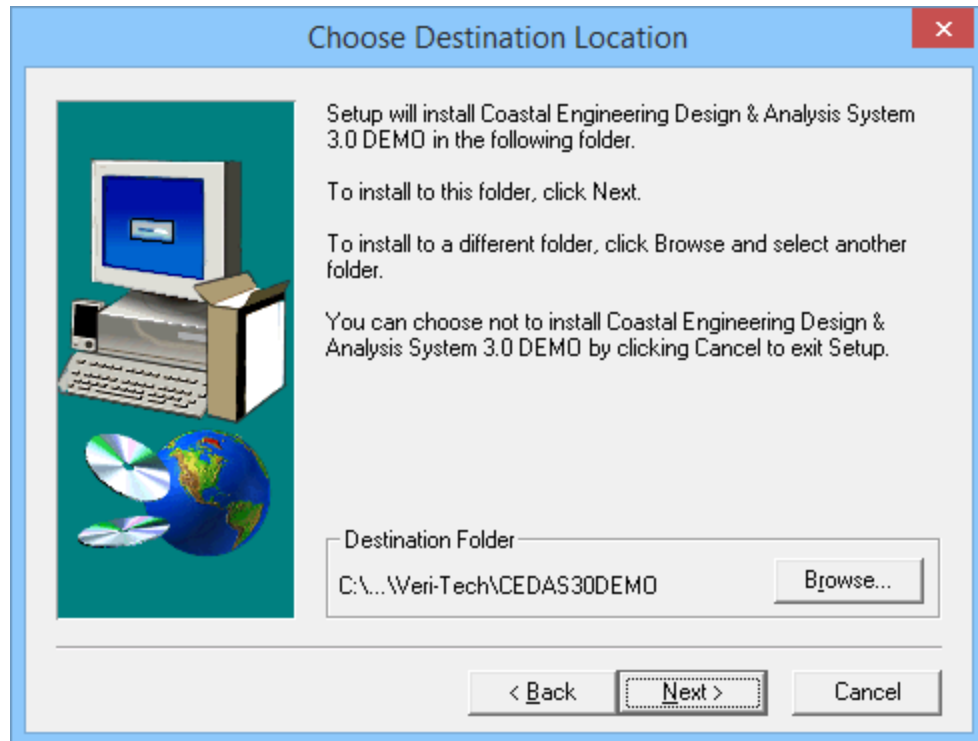

CEDAS Demo Installation Procedures

Step 8

The Installation Wizard creates a Default Destination Folder.

Even though an alternate Destination Folder can be created, it is recommended that the default location be used.

Click “Next” when ready.

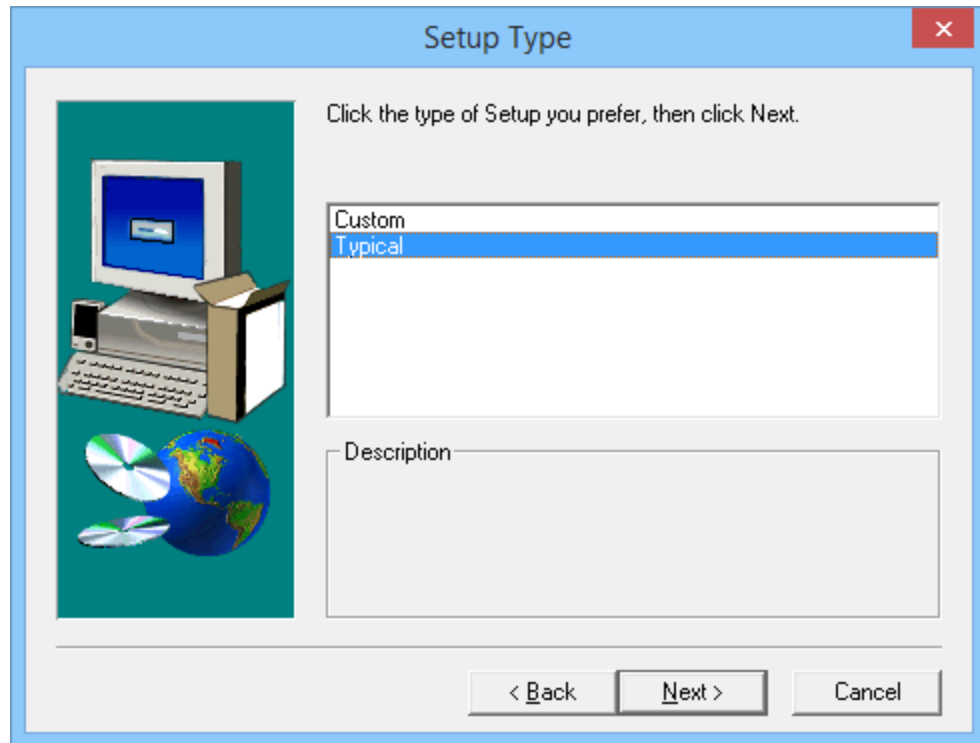

CEDAS Demo Installation Procedures

Step 9

It is recommended that the “Typical” setup type be used for the installation.

“Custom” Setup should only be used by advanced users.

Click “Next” when ready.

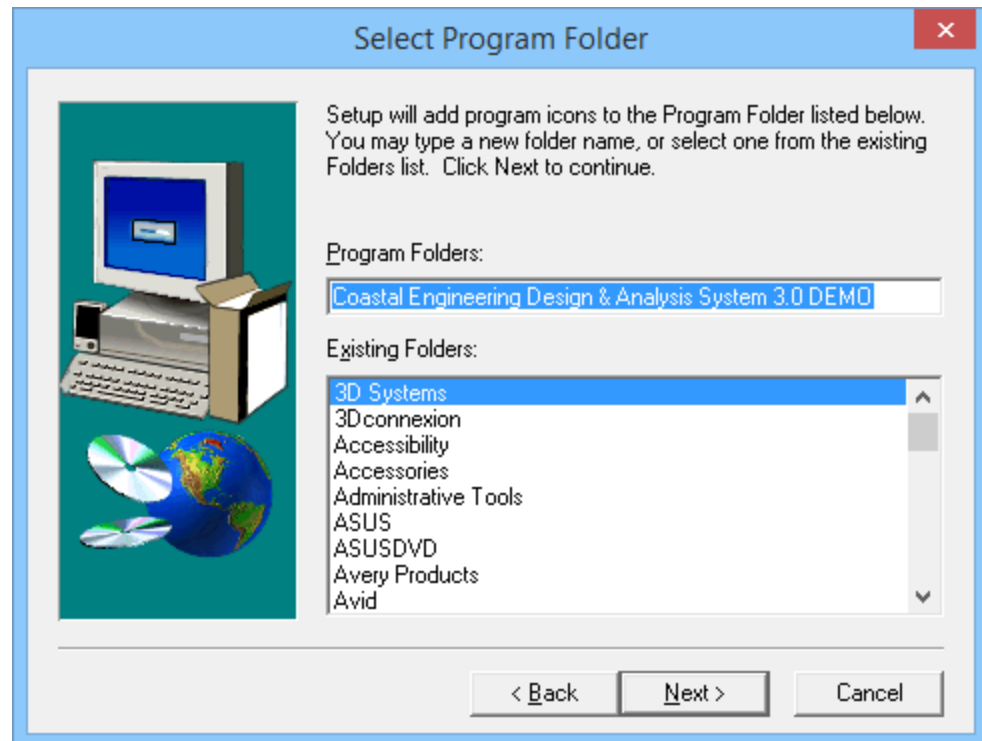

CEDAS Demo Installation Procedures

Step 10

The Installation Wizard creates a Default Program Folder.

Even though an alternate Program Folder can be created, it is recommended that the default location be used.

Click “Next” when ready.

CEDAS Demo Installation Procedures

Step 11

The newly created CEDAS Demo Program Folder is opened.

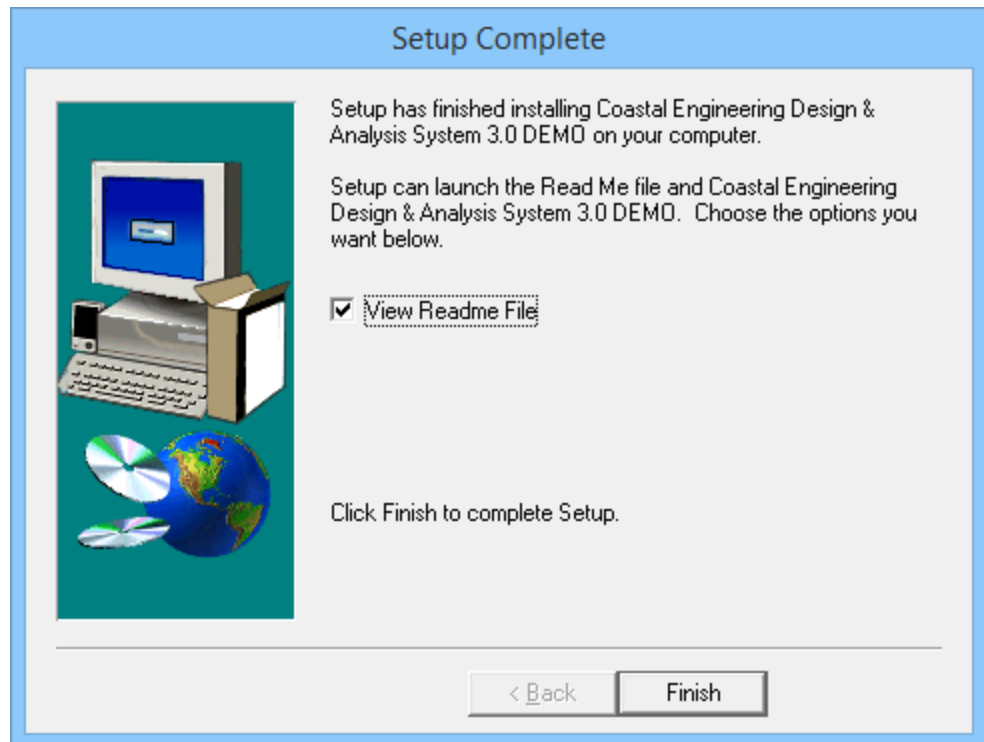

<input type="checkbox"/> Name	Date modified	Type	Size

CEDAS Demo Installation Procedures

Step 14

CEDAS DEMO installation is now complete.

CEDAS Demo Installation Procedures

Step 15

Once CEDAS is installed, your in-program “Help” files will initially be inactive, since Microsoft no longer supports this type of Help file in their newer operating systems.

If you use the link below to our website, and scroll down to the "Windows Help Files Information", you will find instructions on how to activate the Help files for your installation.

Make sure you select the proper Windows version for your computer. If you are using Windows 10 or 11, when you get to Step 3, use the corresponding Windows 8.1 option.
